

Mission Statement:

The Cudahy Police Department and Cudahy School District work jointly to furnish the students and staff of Cudahy a safe and enjoyable environment while attending school. Two officers are assigned to the school district for this purpose. One of the officers is at the high school and the other officer covers the middle school and 5 elementary schools. They continue to research various programs to strengthen the relationship between the Police Department and School District. The School Resource Officers will assist faculty, staff and school administration and provide a positive role model for students.

If Students/Parents or Guardians have any questions or concerns about safety issues or unlawful activities within the school district or community,
Please contact these officers
